
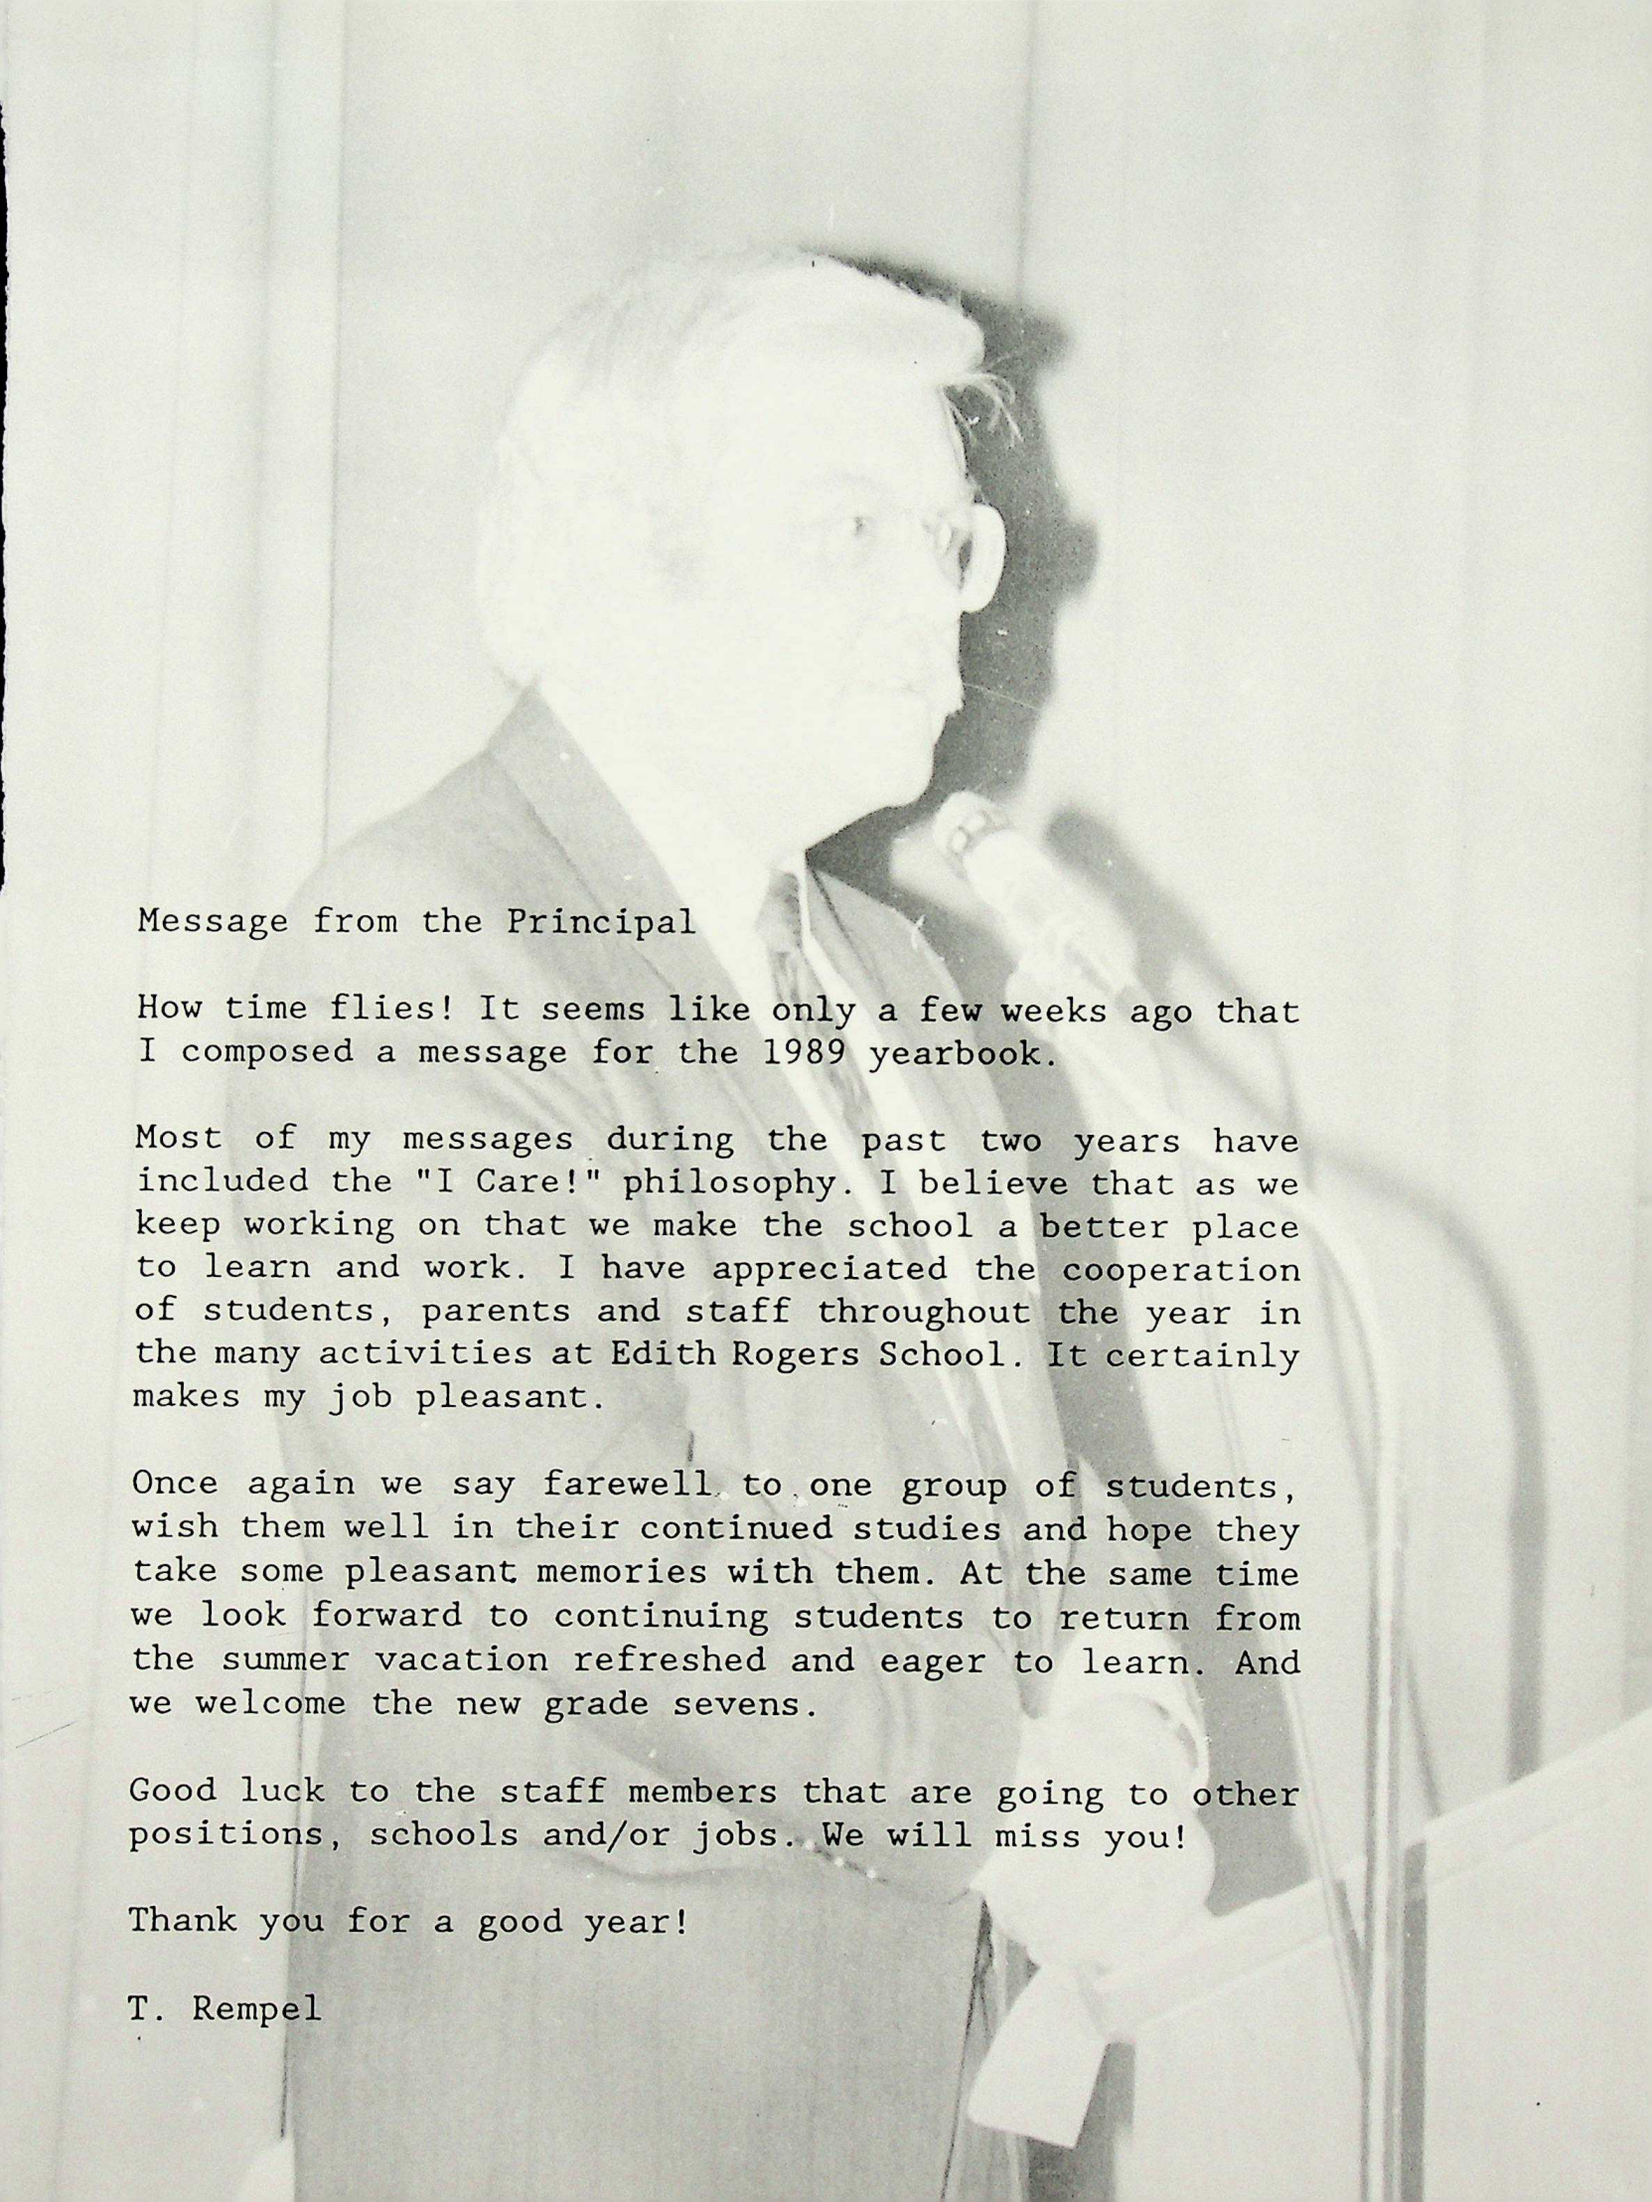
EDITH ROGERS ROYALS

1989-90



Message from the Principal

How time flies! It seems like only a few weeks ago that I composed a message for the 1989 yearbook.

Most of my messages during the past two years have included the "I Care!" philosophy. I believe that as we keep working on that we make the school a better place to learn and work. I have appreciated the cooperation of students, parents and staff throughout the year in the many activities at Edith Rogers School. It certainly makes my job pleasant.

Once again we say farewell to one group of students, wish them well in their continued studies and hope they take some pleasant memories with them. At the same time we look forward to continuing students to return from the summer vacation refreshed and eager to learn. And we welcome the new grade sevens.

Good luck to the staff members that are going to other positions, schools and/or jobs. We will miss you!

Thank you for a good year!

T. Rempel

STUDENT COUNCIL MESSAGE

To Students and Staff;

It's my pleasure to extend to all students and administration my best wishes for the next year.

This year has been a tremendous year for student council and I enjoyed every bit of it.

We kicked off the year with welcome week including western days, a bar-b-que and a dance. In about November we began our annual magazine sale campaign and it turned out to be a great success.

In Febuary we had another unique event- Edith Rogers Youth Conference '90. This proved to be an event which pleased many people.

This has been the first year of a new Student Council Constitution. We therefore had the largest student council ever. The student council can now have more input from students.

All in all, the year has been great! With help from many people we've given another successful year to student council.

YOUTH CONFERENCE

This year, at the school, we had one outstanding event.- Edith Rogers Youth Conference '90. The Youth Conference has been a second to our school.

The Youth Conference included teen-related sesions, lunch, dinner, snacks, and a dance. At this Youth Conference, many new friends were made.

The Youth Conference was a major result of a group of hard working students.These students put in many hours of their time towards the Youth Conference.

This school is now recognized because of the Youth Conference and Edith Rogers is proud of it. Thanks for all the help, committee!

EDITH ROGERS PEER SUPPORT TEAM 1990-91

You're learning to make the most of you.

As the school year ends and you reflect upon the past year, you realize that some of the most valuable lessons don't come from textbooks. They come from life. From the good times and not-so-good times. When you learn about people. About yourself. Or just about handling things. And that's important. Because you never stop solving problems. You just get better at it.

Make the most of a good thing.
Make the most of you.

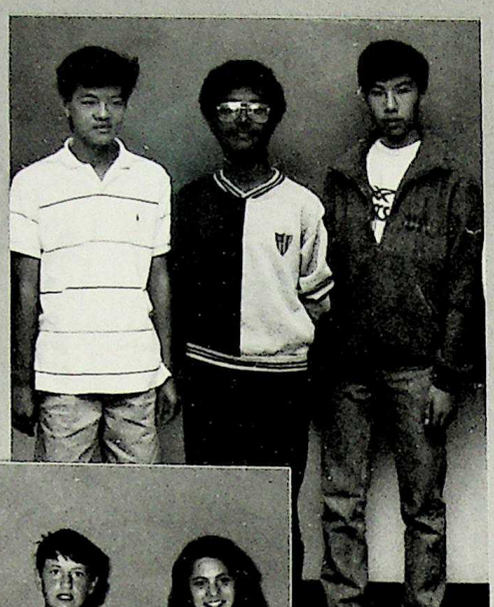
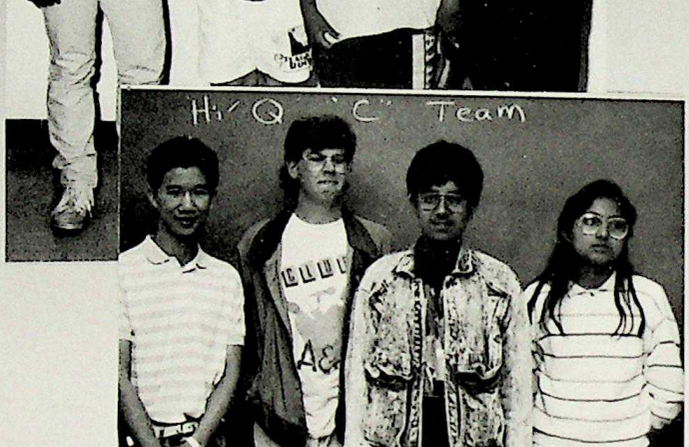
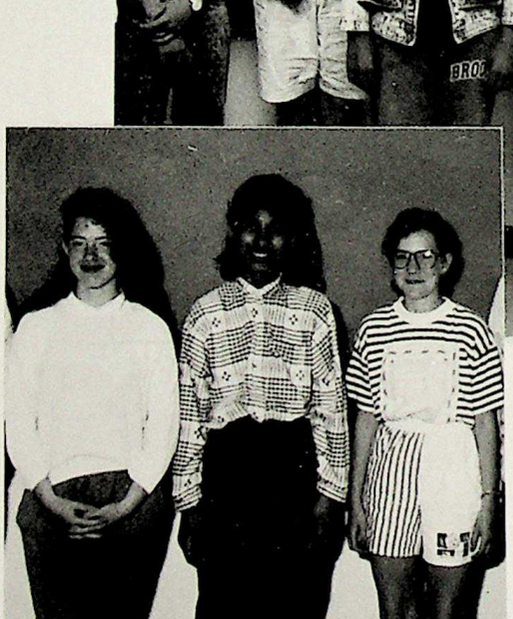
HI - Q







Hi Q is a growing program at Edith Rogers school. This year we were able to field four teams in various events around the province. Our Senior team went to the quarter finals on I.T.V.and then went on to win the 32 team Millbourne Mall title and later a silver medal at the Vegreville tournament.Our B team and our C team played well at Millbourne and the experience helped our B team win the silver medal in the Junior division of the Vegreville Tournament. Our D team gained valuable experience in Vegreville which we expect will help them next year.

A special mention must be made of two students, Aisha Mizra and Jennifer Callum. These grade 8 students provided tremendous help in the running of the Millbourne Mall Tournament even though they themselves were not on any of our teams.

Our teams were as follows -

A team - Jacyn Koski, Bobby Lee, Peter Lieu, Muba Taher

B team - Ryan Comely, Suvidha Kalra, Michael Ort, John Politopoulos, Michael Roemmich

C team - Jason Bath, Minh Ho, Reena Khurana, Rajpaul Bal

D team - Wendy Moore, Kevin Parry, Angie Reed, Neilu Rish

Coaches - Mrs. Oswin and Mr. E. Butler

GRAD. FAREWELL COMMITTEE

This year's year end committee has accomplished a number of things with the help of many hard working people. The decorating committee worked with much effort to make the Gym a place to be enjoyed by all. The music committee had the difficult job of choosing the songs to be played for the dance.The fundraising committee and others devoted themselves to hours and hours at the bottle drive to raise money for our year end, and the food committee came up with delicious food to be served at the dance.These people were eager to help and friendships developed while making it a successful year end.

The Cloverdale Elementary School Christmas Concert was crashed this year by punk rockers Bradley and Jimmy Wilson.It took two hours for Miss Diggle and Mr. Remplestiltskin to evict the young rascals

Meanwhile, over 100 students sang, danced, and acted their way to a wonderfully successful Christmas Lit.

Silent Snow, Secret Snow

Congratulations to the talented cast of this unique and challenging production.This play [based on a short story by Conrad Aitken], allowed us a glimpse into the mind of Paul Buell, a young boy balancing on the edge of mental illness.

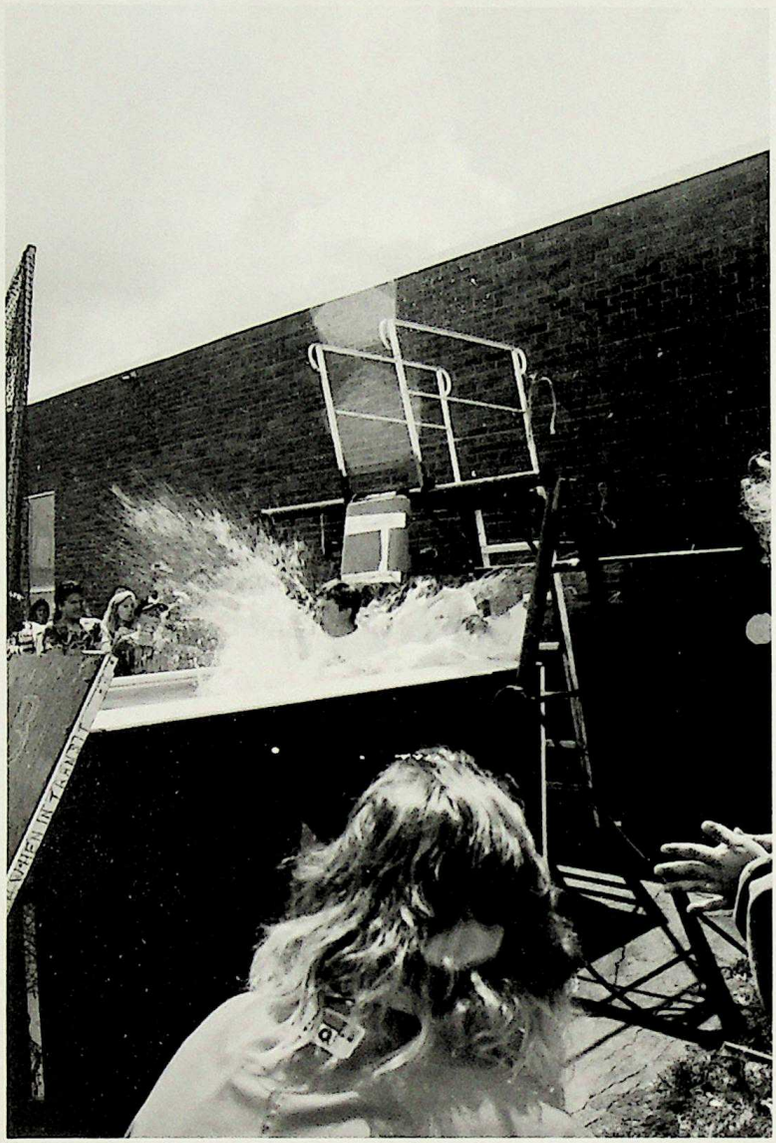
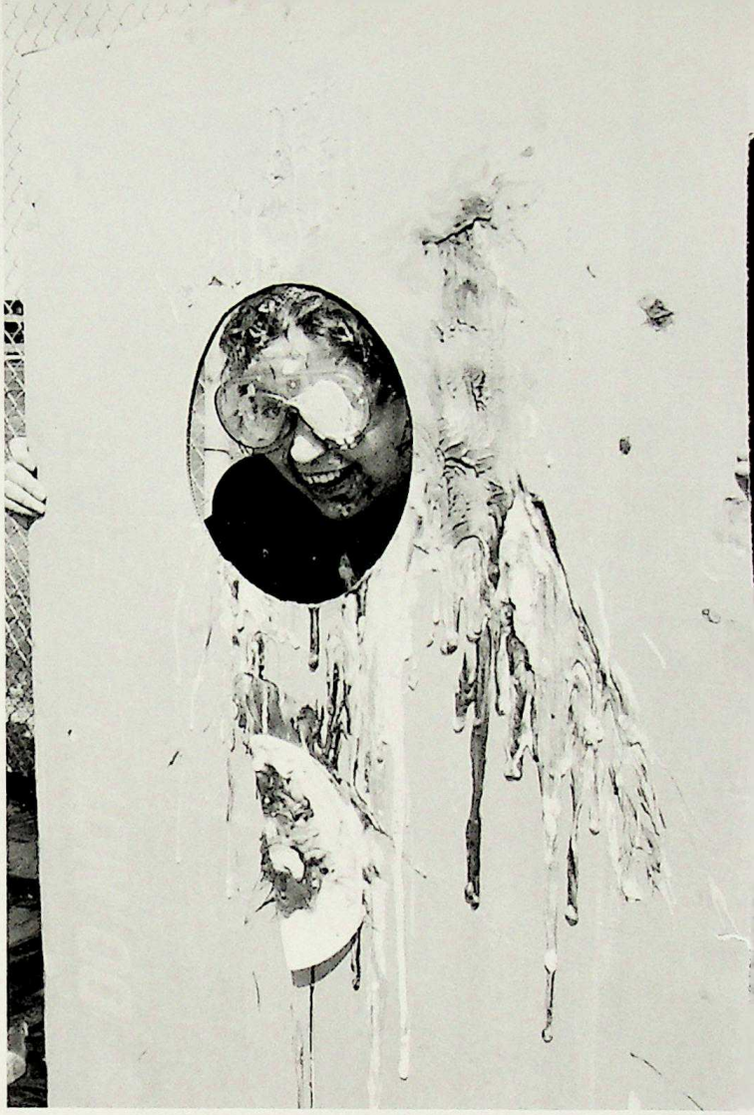
DRAMA





CARNIVAL

On Tuesday, June 5, 1990 , the business skills students put on a special in-school Carnival during the lunch hour and after school. The proceeds of this event went towards a charity.

Some of the events that were run were the dunk tank, pie throw, basketball shoot, dart throw and a concession stand.

The carnival, as a class project, gave us a chance to apply the skill of running and maintaining a business, which we have learned during the past year. We also provided the school with lots of fun and prizes.

THE HAPPY CAMPERS' SONG
(tune - Waltzing Matilda)

Once a Jolly Spady camped beneath the full moon
Under the shade of a big Spruce tree
And he sang and he banged
and waited till the sun came up
You'll come and toadie a long time for me

chorus
Brent was a toadie, Brian was a toadie, Fitzroy was a toadie
One, Two, Three
And they sang and they banged
And waited till the sun came up
You'll come and toadie a long time for me.

Along came Michael Nurse pulling on a larger log
He'll get more wood just you wait and see
and he gathered and he gathered
And he gathered till the sun went down
And he had a dandy fire for all to see

Chorus

Off to the range to do some shooting we did go
Amanda, James, and Steven put on quite a show
Then on to orienteering Jan and Jason found their way
Did Les and Nancy go off to play???

Chorus

Her white clothes for camping Peggy brought along with her
We wonder if Melissa can dry out all of hers
Alwyn set the fashion scene by shopping at the super store
Using plastic bags in a whole new way

Chorus

Came time to show our skills in starting fires and sawing logs,
Jerry's talent shone with his one match light
And then Dustin with his bow saw added to our firewood
Making happy campers of Willette, Smyth, and Dawe

Chorus

Last not least comes Tavis Bruce slicing with his trusty knife
Whoops, Oh _____!! is my thumb all there
So he came down seeking our advice, We shook our heads and offered Ice
then Mr. Dawe said " I'll Tie You to a Spruce, ... Bruce"

Chorus

Mr. Rempel, Teachers, Parents, Guests, and Fellow Graduates.

As this year comes to a close we, the students, can finally look back and reflect upon some of our varied experiences in Junior High. Whether it be experiences about friends, teachers, sports, or even schoolwork, they have all had a great influence in making us the way we are.

The graduating class of 1990 has alot to be thankful for. Thankful most of all for the opportunities given to us to learn and become well educated. This is especially important in today's society because of the high level of technology in the workplace.

We should acknowledge the teaching staff for a job well done this year. As well as learning from them, we had an opportunity to become friends with them and share many valuable experiences. Remember Mr. Jones growling in HIS hallway. Mr. Palmer telling gory stories in I.A. Mrs. Sobcyshyn listening to everybody's problems and even Mr. Douglas telling sick jokes. They have all added to our junior high memories and we thank them for it.

Parents have also been a major factor in helping us through these 3 years at Edith Rogers. Time and time again they have put up with our nonsense and somehow, they still managed to love and support us. For this we thank our parents.

Now that Junior High is behind us, we look forward to new challenges as we enter high school. Many of us are going our separate ways and leaving good friends behind. We shouldn't feel sad. We should feel privileged to have known them and shared this important time in our lives with them.

In this last decade of the 20th century, each of us will have an opportunity to make a mark in society. Some day you may hear the name of one person in this room and feel proud. It's very exciting to think about the possibilities that this graduating class can and will achieve. I wish each of you every success in the future.

Thankyou... and GOOD LUCK! Chris Douglas
